

To receive credit, examinee must receive the required score listed on this sheet. No partial credit is given. Passing scores are recorded as “P” on examinee’s transcript. No letter grades are assigned. No duplication of credit will be awarded for equivalent coursework. Check with your advisor if you are unsure

of whether or not a test would duplicate credits you have already received. It is the student’s responsibility to check with their advisor prior to taking any of the tests listed below to ensure no changes have occurred since this information was printed.
