Meal Plan FAQs

Who is required to purchase a meal plan? All residents of Boniface, North, Boniface West, Hillside, Greg Butler, new women’s residence hall, Saint Scholastica and Saint Joseph Halls are required to purchase a Marauder Platinum, Blue, or Orange plan. If a student resident of one of these halls does not elect one of these plans by the start of the semester, the university will automatically bill him/her for a Marauder Orange Plan. Commuter students as well as the residents of Deichert, Boyle and The Cloisters are not required to purchase a plan but may elect to purchase any of the plans described in this brochure.

How do I purchase a meal plan? Students may sign up for a meal plan online at my.umary.edu/dining or at the Student Development Office.

Can I change my meal plan? Students may change to a different meal plan at any time before the close of the business day on Monday, September 19, 2016. Changes may be made online at my.umary.edu/dining or at the Student Development Office. If a student elects to change, the student will be billed for the appropriate plan according to the date of change on a prorated basis. When making a change, if the student has used more Marauder Bucks or Guest Passes under his/her previous plan than is provided under the new meal plan he/she selects, the student will be billed for the difference.

What are the dates of service under my meal plan? Under the terms of each plan, 24 hour meal service will begin for students with the evening meal on Sunday, September 4. New students who take part in New Student Orientation will be provided with meals during the orientation program. Meal service is not provided during Thanksgiving Break under the meal plans. The last meal plan before Thanksgiving Break will be the lunch meal on Wednesday, November 23. After Thanksgiving, service will resume with the evening meal on Sunday, November 27. The last meal of the semester for each meal plan will be the lunch meal on Thursday, December 22.

Can I use my meal plan for friends or family? You may use your Guest Passes or Marauder Bucks to treat friends and family to a meal in one of the dining centers. Marauder Bucks may also be used to treat your family and friends at MC². Other options are to use Universal Bucks, Cash, or a Credit Card.

What are Marauder Bucks? Marauder Bucks that come with your meal plan may be used at the University or Benedictine Dining Centers, MC² and the concession venues in the McDowell Activity Center. Each purchase you make is deducted from your total until all of your Marauder Bucks are gone. You cannot add additional Marauder Bucks, but you may purchase Universal Bucks to be used as a declining balance card (see below). All Marauder Bucks must be used by the end of the semester. Unused Marauder Bucks are not refundable and they cannot be rolled over to the next semester.

What are Universal Bucks? Universal Bucks are dollars the student purchased to be used as a declining balance card function on his/her Mcard. University Bucks may be used, at the U-Mary Bookstore, the University or Benedictine Dining Centers, and MC². Universal Bucks may be rolled over from semester to semester. A student may purchase additional University Bucks when he/she runs out at the Business Office or by phone with a credit card at 701-355-8084.

What is a Marauder Block Meal Plan? Block meals may be used in either the University or the Benedictine Dining Center. Each time you dine, one block meal is subtracted from your total. Block meal plans are available only to commuter students and residents of the Cloisters, Boyle and Deichert Halls. All block meals must be used by the end of the semester. Unused meals are not refundable and they cannot be rolled over to the next semester.

What do I do if I have special dietary needs because of a disability? It is the goal of Dining Services to make every effort to accommodate the needs of students consistent with the American with Disabilities Act (ADA). Students must establish eligibility for dietary accommodations by registering with the Student Accessibility Services Office, Welder Library (701-355-8264) to start the process.

What if I am a vegetarian, vegan, or I am on a special diet? Students who follow a particular diet are encouraged to eat their meals in the University Hall Dining Center where there is the widest variety of menu options, including a vegetarian option offered at each meal. Students are also invited to discuss their needs with the Dining Services Director, Erick Meland.
