

TUITION & FEES

New tuition & fees schedules start each fall.

Students will save by attending the Summer 2018 semester, which remains on the previous year's Tuition & Fees schedule.

Financial aid for full-time YRC (12+ total credits for summer)

- Students' financial aid is awarded on a borrower-based academic year, meaning the aid will follow the student in a way that makes sense for that student.
- Federal Financial Aid and University of Mary scholarships are available for students, as eligible, for the summer semester.
- **Questions?** Contact Kathy Lowe, YRC financial aid counselor, at KLLowe@umary.edu for more information.

Savings in First Summer Alone!
