

Electrician

The University of Mary invites applications for a full time, non-exempt Electrician. The project and systems electrician is at minimum a journeyman electrician whose functions are primarily directed at installing and maintaining electrical systems and performing internal electrical projects. The successful candidate will have background in installation and programming of electrical systems. The work area includes working indoors and outdoors. The working hours will be determined so as to best serve the needs of the institution including weekend rotation

Essential Roles and Responsibilities Include:

- Installation of electrical projects, to include installation of all necessary electrical materials including high voltage, low voltage, HVAC/controls, and other facility electrical needs
- Installation, programming, and maintenance of electrical systems, including but not limited to access control, HVAC controls, camera systems, lighting controls, etc
- Perform electrical maintenance and preventative maintenance activities to support campus repairs and community needs
- Performs other related duties as requested and assigned

Desired Minimum Qualifications, Education, and Experience include:

- High school diploma or GED required
- Journeyman electrician license with at least 4 years electrical experience required
- Master electrician license preferred
- Upholds and promotes the Christian, Catholic, Benedictine mission of the University of Mary
- Supports the ongoing implementation of *Ex Corde Ecclesiae*, the apostolic constitution on Catholic colleges and universities
- Builds a culture of ready and earnest hospitality in the office of Financial Affairs, Physical Plant, and throughout the university in accord with Saint Benedict's admonition that *all be received as Christ*

Knowledge and Skills Required:

- Thorough knowledge of electrical components and equipment, installation, troubleshooting, etc
- Demonstrated experience in installation of electrical projects
- Demonstrated experience of system installation, controls, and administration
- Highly safety conscious and the ability to follow all necessary safety standards

The University of Mary overlooks the beautiful Missouri river and is located in Bismarck, North Dakota, a community of approximately 80,000 people, with wonderful family and parish life, friendly neighborhoods, enjoyable recreational and cultural facilities, a low crime rate, clean air, and excellent schools. The University of Mary, with an enrollment of over 3,000 students, is accredited by the Higher Learning Commission of the North Central Association.
