# Open your heart

Our *Milan* campus is located on hallowed turf. Developed around the original site of a monastery, our Milan campus is in the very heart of the city. Home to over 27,000 students, our Doric and Ionic cloisters provide a haven of peace and grace within a city which offers an abundance of food, history, heritage and choice.

Milan is Italy's commercial heart. Yet the city itself is a place of Cathedrals and Basilicas, galleries and museums, fortresses and canals, shops and restaurants, parklands and streetscapes.

Then we have our beautiful campus in *Piacenza*, in which we also include a small facility in nearby *Cremona*. Piacenza is located in the culinary heartland of Italy, a medieval town which is surrounded by the enchanting Italian countryside. Piacenza is quintessential Italy. Charming. Beautiful. Historic. And unrivalled.

Our *Rome* campus is home to our School of Medicine and Surgery, plus the campus is proud to host our School of Economics. The School of Medicine and Surgery is affiliated with the Policlinico Gemelli University Hospital meaning that all health students, across all fields, have access to a world-class hospital just a walk from our doorstep.

Located just a few minutes from the center of Rome, our 6,500 students benefit from access to internationally acclaimed experts in their field, including a truly impressive 43 Faculty members listed among the top Italian Scientists.

In choosing Cattolica, you will become part of a community of 40,000 students, students and scholars who attend one of our twelve schools and who access a library which contains over two million volumes.

Our alumni and academic community is without peer, with numerous *world-leading researchers, scholars and academics.*

Our industry and employer networks are truly remarkable, meaning that we can offer *6,900 internships per year.*

We can boast an international community of more than 3,000 students from *over one hundred countries.*

# Study abroad programs

## Semester & full-year

The formal definition of study abroad and exchange is one semester or one year spent in another country, where participation in the program can contribute credits towards the home institution degree. However, study abroad and exchange experiences offer much more. They represent a once-in-a-lifetime opportunity to immerse oneself in another culture, society, language, and

environment; to make new friends and to benefit from different styles of teaching, whilst continuing to study.

Semester study abroad students may enroll in one or both Italian language courses (intensive and/or semester) and add up to four English or Italian-taught courses.

## Academics

### Study in English and Italian
