MEAL PLAN FAQs

Who is required to purchase a meal plan? All residents of Roers, North, Hillside, Greg Butler, Boniface, Boniface West, Saint Scholastica and Saint Joseph's Halls are required to purchase a Diamond, Sapphire, or Topaz plan. Residents of Subiaco, Monte Cassino, Boyle, and Deichert are required to purchase a Diamond, Sapphire, Topaz, or one of the Block (75, 150 or 250) Plans. All students on athletic scholarships who live off campus are required to have a meal plan (enrolled on the Sapphire plan unless otherwise selected). Commuter students may purchase any of the plans.

Can I change my meal plan? Students may change their meal plan option prior to the close of business on the first day of classes; these changes may be made online on the housing portal. After the first day of classes, students who wish to change their meal plan will need to do so at the Student Development Office. After Wednesday, January 26, ten business days after the start of the semester, students will be unable to change to a lesser plan. However, students may upgrade or add the Golden Ticket throughout the year. Meal plan changes will be billed according to the date of change on a prorated basis.

Can I use my meal plan for friends or family? Students may use their Guest Passes or Marauders Bucks to treat friends and family to a meal in the Crow's Nest Campus Restaurant. Marauders Bucks may also be used to treat guests at Marauders Cove. Other options are to use Universal Bucks, or Credit Card. Unlimited or block meal swipes are for personal use only and some restrictions may apply.

What are the dates of service under my Spring 2022 Meal Plan? Under the terms of each plan, 24-hour meal service will begin for students at 4 pm on Sunday, January 9, 2022. Meal service will end at 4 pm on the last day of finals. In case of inclement weather or other unforeseen circumstances, hours and services may vary.

Meal service, offerings, and guest passes may be subject to change based on COVID-19 restrictions. At certain University risk levels, guests are not allowed in the Crow's Nest Campus Restaurant. Please refer to umary.edu/COVID for the University's COVID-19 policies and procedures.
