Can I change my meal plan?

Students may add, remove, or change their meal plan prior to the meal plan start date; these changes may be made online through the Meal Plan Portal. After meal plans have started and up until the close of business of that semester's Add/Drop date, students may downgrade or cancel their meal plan, however, these changes will be billed on a prorated basis of 50%. After the Add/Drop date, any meal plan changes will be billed at the full rate. Students may upgrade or add the ToGo Bottomless Mug at any point in the semester. Students who are required to be on a meal plan must remain on a meal plan for the entire summer semester.

Block meals must be used by the end of the semester. Unused meals do not carry forward to the next semester.
