

## BIG Fall Career Fair Attendees

**Ackerman-Estvold, Minot, ND**

**TABLE 26**

**Website:** <https://www.ackerman-estvold.com/>

**Description:** Ackerman-Estvold is a full service architectural and civil engineering consulting firm serving clients on projects ranging from initial planning to closeout and every step in between. Our team is composed of over 50 highly experienced individuals with a comprehensive knowledge of all aspects of architecture and civil engineering within the Minot, Williston, Fargo, Boise, and Ackerman Surveying offices. Our team includes civil engineers, registered engineers, registered architects, architectural design staff, construction inspectors, GIS specialists, drone pilots, financial specialists, communications specialists, administrative staff members, and professional land surveyors. The company was founded in Minot, ND, in 2003 out of a deep desire to serve the residents of their hometowns in northwestern ND. Ackerman-Estvold takes pride in recruiting young North Dakotans back to our state and provides them with job opportunities and experiences just like those found in larger cities. In 2013 Ackerman-Estvold expanded locations and service offerings by merging with AmeriTech Engineering Corporation, and their partner architectural firm ABC Building Concepts, LLC. In 2018, Ackerman-Estvold expanded its presence to serve the Boise, Idaho area. In 2020, Ackerman-Estvold merged with Minot based architecture firm Anderson Wade & Whitty, PC adding several architectural team members and 40 years of architectural work throughout ND. A Fargo location was added at the end of 2020.

**TABLE 30**

**Website:** <https://www.dot.nd.gov/>

**Description:** Originally called the State Highway Department, the North Dakota Department of Transportation (NDDOT) was established in 1917. The NDDOT is an innovative and progressive organization that has a great team of employees that work hard across the state to carry out the Department's mission to safely move people and goods. The NDDOT strives to build and maintain an efficient transportation system consisting of about 8,518 miles of roadway and 4,858 bridges. It oversees the development of surface transportation including highways, bridges, rail, transit, pedestrian and bicycle paths across the state. Annually, the Department processes over 1,000,000 vehicle registrations and serves over 500,000 licensed drivers at branch offices located across the state. The NDDOT's Central Office is located on the North Dakota State Capitol Grounds in Bismarck and has eight District Offices across the state in Bismarck, Devils Lake, Dickinson, Fargo, Grand Forks, Minot, Valley City and Williston.
