University of Mary Statement of Mission and Identity

Founded to prepare leaders in the service of truth, the University of Mary is distinctive in our education and formation of servant leaders with moral courage, global understanding, and commitment to the common good. As America's Leadership University, we are deeply devoted to our mission:

The University of Mary exists to serve the religious, academic and cultural needs of the people in this region and beyond. It takes its tone from the commitment of the Sisters of Annunciation Monastery. These Sisters founded the University in 1959 and continue to sponsor it today. It is Christian, it is Catholic, and it is Benedictine.

We cherish our Christian, Catholic, Benedictine identity; we welcome and serve persons of all faiths.

As a Christian university, we strive to accomplish our mission in faithfulness to the Gospel of Jesus Christ. We regard each human person as created in the image and likeness of God, gifted with life and dignity. We seek to be agents of cultural renewal in our time and place, courageous advocates for justice and peace. Our Christian commitment is born from and sustained by the encounter of the Risen Lord, who came not to be served but to serve. As He humbly washed the feet of His disciples on the night before He died, so we seek to serve one another.

We are faithfully Christian.

As a Catholic university, we joyfully draw our life from the heart of the Church, identifying with the ancient tradition which gave rise to the first universities in medieval Europe. This Catholic intellectual tradition proposes an integrated spiritual and philosophical approach to the most enduring questions of human life. Thus we seek to advance the vital dialogue between faith and reason, while acknowledging the proper autonomy of the arts, sciences, and professions. A university is a place for the free exchange of ideas, and so we warmly welcome students and faculty of many faiths and convictions. At the same time, our common discourse ever takes place in a spirit of authentic respect for Catholic teaching and practice. We acknowledge the Catholic faith as a path to moral integrity and personal holiness.

We are joyfully Catholic.

As a Benedictine university, we remember with gratitude the Benedictine Sisters who came to Dakota Territory in 1878, bringing ministries of teaching and healing. This community of Sisters would become our founders and sponsors and, through them, we share in the 1500-year-old heritage of the Benedictines. Inspired by lives of prayer, community, and service, Saint Benedict and his spiritual followers through the ages have been a stable source of tremendous good in the world: renewing the Church, preserving learning, cultivating wisdom, modeling humane virtues of balance and generosity. The life of our Sisters shapes our life.

We are gratefully Benedictine.

Lead, Kindly Light. Saint John Henry Newman

Lead, kindly Light, amidst the grey and gloom
The night is long and I am far from home
Here in the dark, I do not ask to see
The path ahead-one step enough for me
Lead on, lead on, kindly Light.
I was not ever willing to be led
I could have stayed, but I ran instead
In spite of fear, I followed my pride
My eyes could see, but my heart was blind
Lead on, lead on, kindly Light.

And in the night, when I was afraid
Your feet beside my own on the way
Each stumbling step where other men have trod
Shortens the road leading home to my God
Lead on, lead on,
My God, My God,
Lead on, lead on, kindly Light.

HONORARY DEGREE RECIPIENT

Harold Hamm

Harold Hamm grew up on the humble Oklahoma prairie. That country was hotter than the Dakota plains but measured by the same values: you didn't lie, you didn't cheat, and everybody did their part.

The youngest child of 13, Hamm was born in 1945 to cotton sharecroppers. They were poor, but to them, life was vast and expansive. Someone in need was almost always living with the Hamm family, and when they had something extra, they gave it away.

It was in those days that Hamm's eyes were opened to life's possibilities. He glimpsed a world bigger than himself, bigger than the hardships he was facing. So when he saw that oil and gas development was booming in his neighborhood, his imagination took flight. Hamm wanted to be an oilman. He wanted to make a fuller life possible for his family and community.

At 18, he took a job with an oilfield services contractor, cleaning tanks – the hardest work there was in the field. By 1967, at the age of 21, he'd built up enough credit to take out a \$1,000 loan and start his own business. That was the beginning of Continental Resources. From this grassroots startup, Hamm built Continental into one of the top oil producers in the United States. Continental is also the largest leaseholder of the nation's premier oilfield, the Bakken of western North Dakota and eastern Montana.

Hamm co-founded and serves as Chairman of the Domestic Energy Producers Alliance. He's served as past Chairman and present board member of what is now the Petroleum Alliance of Oklahoma and was a founding member of the Oklahoma Energy Resources Board. In an effort to discover a cure for diabetes, he sponsored the founding of the Harold Hamm Diabetes Center, a world-renowned center of diabetes research. For his professional accomplishments, Hamm has received the Platts Global Energy Lifetime Achievement Award and the Horatio Alger Award. In 2012, TIME Magazine named him one of the "100 Most Influential People in the World."

"...most influential" because Harold Hamm never fails to spot the long play. North Dakota's prairies, reminiscent as they are of the Oklahoma fields of his childhood, hold bright promise to him. Just like us, he's looking to serve needs in this region and well beyond it.

The University of Mary's Hamm School of Engineering forms future industry leaders who see a world much bigger than themselves, who want to make life fuller for the people they serve. The inspiration and generosity of Harold Hamm hold fast in our dreams for our students.

Hamm's great pride is his family. His five children—"better people than me," he says—are each living proof of his conviction that the greatest measure of success is the success of those who come after you.

With enduring gratitude for Harold Hamm's support, we at the University of Mary hope to confirm that conviction ourselves as our students, too, strive for greatness of heart, taking to their fields with vast and expansive hope, bringing light and life wherever they go.

COMMENCEMENT SPEAKER

Shelly Lambertz

Shelly Lambertz serves as Executive Vice President, Chief Culture and Administrative Officer for Continental Resources in Oklahoma City. She has served on the Board of Directors since May 2018.

Her leadership in the oil and gas industry recently earned her the recognition as one of the 25 Influential Women in Energy by Hart Energy.

Before joining Continental, Shelly served as the Chief Operating Officer at Hamm Capital — a family investment and advisory firm — from August 2011 to October 2018. Shelly also serves as Director of the Harold Hamm Foundation. From 1999 to 2005, she was the Executive Director of the YWCA in Enid, OK. Prior to that, Shelly was Director of Human Resources and Business Development Advisor for Hamm & Phillips Service Company.

She began her career working for the U.S. House of Representatives in Washington, D.C., serving in various positions including Office Manager for Congressman Mickey Edwards (OK), Legislative Assistant for the Leadership Office of Minority Leader Bob Michel (IL), and Deputy Chief of Staff for Frank Lucas (OK).

Shelly holds a bachelor's degree in business administration, with a minor in marketing, from Oklahoma State University.

Shelly is actively involved in her community, serving on the boards of the Harold Hamm Diabetes Center at the University of Oklahoma, the Oklahoma State University Foundation, Dean McGee Eye Institute, Scott & Kim Verplank Foundation and the Oklahoma Foundation for Excellence.

She is a devoted member of St. John the Baptist Catholic Church, where she serves on the Finance Board, is a Eucharistic Minister, and past chair of Women's Faith & Formation Programs.

Shelly and her husband Gant are dedicated parents to their two sons, Zach and Alex.

UNIVERSITY OF MARY MOTTO AND SEAL

The University of Mary seal, with a design of stylized wheat and the motto, “*Lumen Vitae*” (The Light of Life), holds the hope that each student grow and flourish with radiance and life. The motto is taken from the prologue of the Rule of Saint Benedict: “*Currite dum lumen vitae habetis, ne tenebrae mortis vos comprehendant!*” (Run while you have the light of life, lest the darkness of death overtake you!) Saint Benedict took inspiration for these words from the 12th chapter of Saint John’s Gospel (Jn. 12:35).

As the only Catholic college in North Dakota, the state that leads the nation in hard red spring wheat and durum production, the University of Mary is rooted in this place. Wheat, in its life cycle from seedtime to harvest, cooperates with creation’s basic elements like soil, water and sunshine to become everything it is meant to be. Those breeding wheat know it to be both an art and a science. Wheat needs both sun and rain as it grows, and it then goes on to serve and to provide nourishment for others. It grows in order to give itself away.

Again, from the same chapter of Saint John’s Gospel, we receive this teaching from Jesus, and we fix it in our minds: “Unless the grain of wheat falls into the ground and dies, it remains alone, a single grain; but if it dies, it produces much fruit” (Jn. 12:24).

UNIVERSITY OF MARY ALMA MATER

One’s *alma mater* is truly that – the “nurturing mother” of our emerging adulthood, guiding us in the right direction, strengthening our minds and our spirits for the rigors of life before us. The University of Mary’s school song, in its original form, below, was written by Sister Mary Elizabeth Mason (1917-2012) and unveiled in 2009 to mark the 50th anniversary of the founding of the university and a finale for the remarkable 31-year presidency of Sister Thomas Welder. The lyrics express the beauty of both the university and the aspirations upon which it was founded, as well as the lifelong blessings it bestows. They celebrate the University of Mary as a place of intellectual and spiritual transformation, rooted in the values of Benedictine life and welcoming to all.

*Standing on the bluffs of the Missouri
Is Mary our fair university.
For love of Christ at peace with every creed,
She welcomes all who long to learn and lead.*

*The wisdom of past ages we would see
With eagerness for all that yet might be.
Transformed by grace we gladly work and play;
Good friends and teachers guide us on our way.*

*May holy Benedict, the man of peace,
Guide us as servant leaders without cease.
O Mary, may you come to greater fame
And may we all add honor to your name!*

UNIVERSITY OF MARY MACE

The president leads our university community in carrying out the mission first entrusted to the Benedictine Sisters of Annunciation Monastery, who founded and sponsor the University of Mary. This office of leadership finds particular expression in the University of Mary Mace. The elected leader of the teaching faculty carries the mace on behalf of the president in solemn academic procession.

In ancient days a mace was carried for protection, but since medieval times it has come to symbolize the order of a university in formal session and its authority to carry out its mission.

The Benedictine cross, a symbol of the University of Mary's Christian, Catholic, and Benedictine identity, sits at the top of the mace. The Benedictine medal and University of Mary seal, both imprinted with the cross, are encased on opposite sides. The cherry staff is ringed with six bands that alternate between wood and gold. These stand for the Benedictine values of community, hospitality, respect for persons, prayer, service, and moderation that are formative to the servant-leadership experience at the University of Mary. Twelve vertical grooves are a reference to the Church's 12 Apostles. At the bottom of the mace is a brass hame ball (harness decoration). It stands in tribute to the pioneers who worked the land and to the founding Sisters who collaborated with them to develop a center of higher learning to serve the region.

UNIVERSITY OF MARY GRADUATION PLAQUE

The University of Mary graduation plaque is symbolic of many things: it speaks of Christianity, of North Dakota, and of the Benedictine spirit. In the center of the plaque is set the University of Mary seal.* In the seal, the letter "M" stands for Mary and marks the Christ-centered life of the university. It takes its form from Indian design, denoting the native culture of North Dakota. The two "hills" of the "M" are characteristic of the land on which the University of Mary stands, flat-topped prairie bluffs separated by coulees and valleys. The cross planted between the hills symbolizes the bringing of new life to an age-old land, a message born on earth from the Creator of the earth, the mystery of the Incarnation and Redemption proclaimed by the Church.

The simple, angular form of the plaque echoes the architectural design of the university. Indeed, the entire composition of the plaque speaks simply, without being artificially "modern," classy, or pictorial. In, of, and by itself it is not a picture of any of these things, and yet it reflects each of them.

**The medallion color denotes the degree level earned – bronze for baccalaureate, silver for master's, and gold for doctorate.*
