University of Mary ***Statement of Mission and Identity***

Founded to prepare leaders in the service of Truth, the University of Mary is distinctive in our education and formation of servant leaders with moral courage, global understanding, and commitment to the common good. As America's Leadership University, we are deeply devoted to our mission:

The University of Mary exists to serve the religious, academic and cultural needs of the people in this region and beyond. It takes its tone from the commitment of the Sisters of Annunciation Monastery. These Sisters founded the University in 1959 and continue to sponsor it today. It is Christian, it is Catholic, and it is Benedictine.

We cherish our Christian, Catholic, Benedictine identity; we welcome and serve persons of all faiths.

As a Christian university, we strive to accomplish our mission in faithfulness to the Gospel of Jesus Christ. We regard each human person as created in the image and likeness of God, gifted with life and dignity. We seek to be agents of cultural renewal in our time and place, courageous advocates for justice and peace. Our Christian commitment is born from and sustained by the encounter of the Risen Lord, who came not to be served but to serve. As He humbly washed the feet of His disciples on the night before He died, so we seek to serve one another.

We are faithfully Christian.

As a Catholic university, we joyfully draw our life from the heart of the Church, identifying with the ancient tradition which gave rise to the first universities in medieval Europe. This Catholic intellectual tradition proposes an integrated spiritual and philosophical approach to the most enduring questions of human life. Thus we seek to advance the vital dialogue between faith and reason, while acknowledging the proper autonomy of the arts, sciences, and professions. A university is a place for the free exchange of ideas, and so we warmly welcome students and faculty of many faiths and convictions. At the same time, our common discourse ever takes place in a spirit of authentic respect for Catholic teaching and practice. We acknowledge the Catholic faith as a path to moral integrity and personal holiness.

We are joyfully Catholic.

As a Benedictine university, we remember with gratitude the Benedictine Sisters who came to Dakota Territory in 1878, bringing ministries of teaching and healing. This community of Sisters would become our founders and sponsors and, through them, we share in the 1500-year-old heritage of the Benedictines. Inspired by lives of prayer, community, and service, Saint Benedict and his spiritual followers through the ages have been a stable source of tremendous good in the world: renewing the Church, preserving learning, cultivating wisdom, modeling humane virtues of balance and generosity. The life of our Sisters shapes our life.

We are gratefully Benedictine.

Lead, Kindly Light. Saint John Henry Newman (ad.)

Lead, kindly Light, amidst the grey and gloom
The night is long and I am far from home
Here in the dark, I do not ask to see
The path ahead—one step enough for me
Lead on, lead on, kindly Light.

I was not ever willing to be led
I could have stayed, but I ran instead
In spite of fear, I followed my pride
My eyes could see, but my heart was blind
Lead on, lead on, kindly Light.

And in the night, when I was afraid
Your feet beside my own on the way
Each stumbling step where other men have trod
Shortens the road leading home to my God

Lead on, lead on,
My God, My God,
Lead on, lead on, kindly Light.

HONORARY DEGREE RECIPIENT

Mary Jo Feltl

Mary Joanne Feltl was born and raised in Saint Paul, Minnesota, in a family with her four sisters and three brothers. She attended St. Columba Grade School and Saint Agnes High School, where her faith grew steadily. She began working in her father's bakery when she was 12 years old, and after graduating from high school, she worked as a bookkeeper for a local plumbing company. There, she learned the skills of successful business operation, and when the company's accountant left, she quickly learned and assumed his responsibilities.

In 1963, Mary Jo married her husband, Jack, and the two moved to Hopkins, Minnesota, where she worked a number of part-time jobs and, once their children started school, energetically volunteered at their school and in their extracurricular activities. In 1987, Mary Jo joined her husband at the investment company where he worked, and she began overseeing the firm's operations and technology development. In 2000, the firm was acquired, and Mary Jo and Jack resigned their positions in order to develop their own investment firm: Feltl and Company.

In Feltl and Company's early years, Mary Jo oversaw the operations of the company while studying to obtain her broker's license and principal license, and her husband and their son managed the company's investments. When Jack passed away, Mary Jo took the helm of Feltl and Company and assumed oversight of Key Community Bank, helped and supported by her children, John and Beth.

Mary Jo always credits her success first to the Lord and to her Catholic faith, which gave her the strength to persevere amidst life's challenges. When she has been faced with doubts about her skills and abilities, she has always turned to the good and talented people she has gathered around her. These habits of reliance—on the Lord and on family and friends—have been the key to the abundance that has allowed her to support Catholic education so generously through efforts such as the Saint Agnes Catholic Education Foundation.

In the course of her work within Catholic education, Mary Jo visited the University of Mary over 10 years ago with several high school students as part of a live broadcast of Relevant Radio's program, "Go Ask Your Father." But when she saw how the high school students loved the University, she decided to organize an annual trip to give students an opportunity to visit Mary. Now, Mary Jo invites hundreds of students from the Twin Cities to join her every year in traveling to the University of Mary.

In every pursuit, Mary Jo grounds her efforts in the joy and simplicity of the Gospel message. More than anything else, she wants young people to know that they are never alone, that they can conquer anything in their path with their own willingness and God's help.

COMMENCEMENT SPEAKER

Reverend Francis Joseph Hoffman, JCD

Rev. Francis Joseph Hoffman (Father Rocky) is the Chairman and CEO of Relevant Radio, a radio network based out of Illinois that aims to assist the Church in the New Evangelization by providing relevant programming through media platforms to help people bridge the gap between faith and everyday life. He has served as CEO since 2010 and as Chairman of the Board since 2021, and under his leadership, Relevant Radio has expanded to include the Relevant Radio app—the most popular free Catholic radio app in the United States—and to broadcasting on 223 AM & FM stations and reaching 282,000,000 people across the country.

Father Rocky was born and raised just outside of Chicago, the youngest of eight children in a faithful Catholic family. His father was a captain in the United States Army during World War II and later worked as an entrepreneur and manufacturer. His mother first introduced the Hoffman family to Opus Dei in 1970, when Father Rocky was a young boy, and he began receiving religious education and formation from the Center for Opus Dei in Chicago.

After earning a Bachelor of Arts in History from Northwestern University and a Master of Business Administration from the University of Notre Dame, Father Rocky was working in tax and audit when he discerned the Lord’s call to the priesthood, and he entered seminary formation with Opus Dei. Following his ordination as a priest in 1992, he began studies in Canon Law, earning a Doctorate from the Pontifical University of the Holy Cross and writing his doctoral thesis on Pope Saint John Paul II’s letter *Ex Corde Ecclesiae* and American Catholic universities. Upon completing his doctorate studies, Father Rocky was assigned as chaplain of Northridge Prep School in Chicago and spent summers serving in the rural highlands of Michoacan, Mexico.

Father Rocky has distinguished himself as a noted author and speaker and has appeared on major radio and television networks. He is the author of six books, including *Mary at the Crossroads of History*, *The Memorare Moment*, and *Marriage Insurance*, with hundreds of thousands of copies in circulation. Father Rocky’s video productions — which include “Eucharistic Encounters,” “Lenten Lessons on the Mass,” and “Catholic 101” — have been viewed millions of times. Father Rocky is also the host of “Family Rosary Across America,” which gathers tens of thousands of faithful each evening to pray the rosary.

In addition to his role at Relevant Radio, Father Rocky serves on the board of the Walk to Mary in Green Bay, the National Eucharistic Revival in Washington, DC, and as an advisor to Aquinas Academy in Pittsburgh.

Father Rocky warmly invites you to join Relevant Radio for the *Family Rosary Across America*. Experience the tremendous power of collective prayer, and listen every night at 7 P.M. central time — only on Relevant Radio.

UNIVERSITY OF MARY MOTTO AND SEAL

The University of Mary seal, with a design of stylized wheat and the motto, “*Lumen Vitae*” (The Light of Life), holds the hope that each student grow and flourish with radiance and life. The motto is taken from the prologue of the Rule of Saint Benedict: “*Currite dum lumen vitae habetis, ne tenebrae mortis vos comprehendant!*” (Run while you have the light of life, lest the darkness of death overtake you!) Saint Benedict took inspiration for these words from the 12th chapter of Saint John’s Gospel (Jn. 12:35).

As the only Catholic college in North Dakota, the state that leads the nation in hard red spring wheat and durum production, the University of Mary is rooted in this place. Wheat, in its life cycle from seedtime to harvest, cooperates with creation’s basic elements like soil, water and sunshine to become everything it is meant to be. Those breeding wheat know it to be both an art and a science. Wheat needs both sun and rain as it grows, and it then goes on to serve and to provide nourishment for others. It grows in order to give itself away.

Again, from the same chapter of Saint John’s Gospel, we receive this teaching from Jesus, and we fix it in our minds: “Unless the grain of wheat falls into the ground and dies, it remains alone, a single grain; but if it dies, it produces much fruit” (Jn. 12:24).

UNIVERSITY OF MARY ALMA MATER

One’s *alma mater* is truly that – the “nurturing mother” of our emerging adulthood, guiding us in the right direction, strengthening our minds and our spirits for the rigors of life before us. The University of Mary’s school song, in its original form, below, was written by Sister Mary Elizabeth Mason (1917-2012) and unveiled in 2009 to mark the 50th anniversary of the founding of the university and a finale for the remarkable 31-year presidency of Sister Thomas Welder. The lyrics express the beauty of both the university and the aspirations upon which it was founded, as well as the lifelong blessings it bestows. They celebrate the University of Mary as a place of intellectual and spiritual transformation, rooted in the values of Benedictine life and welcoming to all.

*Standing on the bluffs of the Missouri
Is Mary our fair university.
For love of Christ at peace with every creed,
She welcomes all who long to learn and lead.*

*The wisdom of past ages we would see
With eagerness for all that yet might be.
Transformed by grace we gladly work and play;
Good friends and teachers guide us on our way.*

*May holy Benedict, the man of peace,
Guide us as servant leaders without cease.
O Mary, may you come to greater fame
And may we all add honor to your name!*

UNIVERSITY OF MARY MACE

The president leads our university community in carrying out the mission first entrusted to the Benedictine Sisters of Annunciation Monastery, who founded and sponsor the University of Mary. This office of leadership finds particular expression in the University of Mary Mace. The elected leader of the teaching faculty carries the mace on behalf of the president in solemn academic procession.

In ancient days a mace was carried for protection, but since medieval times it has come to symbolize the order of a university in formal session and its authority to carry out its mission.

The Benedictine cross, a symbol of the University of Mary's Christian, Catholic, and Benedictine identity, sits at the top of the mace. The Benedictine medal and University of Mary seal, both imprinted with the cross, are encased on opposite sides. The cherry staff is ringed with six bands that alternate between wood and gold. These stand for the Benedictine values of community, hospitality, respect for persons, prayer, service, and moderation that are formative to the servant-leadership experience at the University of Mary. Twelve vertical grooves are a reference to the Church's 12 Apostles. At the bottom of the mace is a brass hame ball (harness decoration). It stands in tribute to the pioneers who worked the land and to the founding Sisters who collaborated with them to develop a center of higher learning to serve the region.

UNIVERSITY OF MARY GRADUATION PLAQUE

The University of Mary graduation plaque is symbolic of many things: it speaks of Christianity, of North Dakota, and of the Benedictine spirit. In the center of the plaque is set the University of Mary seal.* In the seal, the letter "M" stands for Mary and marks the Christ-centered life of the university. It takes its form from Indian design, denoting the native culture of North Dakota. The two "hills" of the "M" are characteristic of the land on which the University of Mary stands, flat-topped prairie bluffs separated by coulees and valleys. The cross planted between the hills symbolizes the bringing of new life to an age-old land, a message born on earth from the Creator of the earth, the mystery of the Incarnation and Redemption proclaimed by the Church.

The simple, angular form of the plaque echoes the architectural design of the university. Indeed, the entire composition of the plaque speaks simply, without being artificially "modern," classy, or pictorial. In, of, and by itself it is not a picture of any of these things, and yet it reflects each of them.

**The medallion color denotes the degree level earned – bronze for baccalaureate, silver for master's, and gold for doctorate.*

2025 GRADUATING CLASS

The University of Mary's custom is solemnly to confer only doctoral hoods on stage during Commencement. Hooding ceremonies have already taken place for all those receiving a master's degree today.

“Dear brothers and sisters, in the Lord’s Paschal Mystery, death and life contended in a stupendous struggle, but the Lord now lives forever. He fills us with the certainty that we too are called to share in the life that knows no end, when the clash of arms and the rumble of death will be heard no more. Let us entrust ourselves to him, for he alone can make all things new. Happy Easter to everyone!”

– Pope Francis

The final words of his Easter Sunday Urbi et Orbi address (“To the City and to the World”) on April 20, 2025.

The next morning, he passed into eternal life.
